## Pants

Our classic slim line pant modified for 2009, with one dart, centre back zip and straight leg is available in pure wool which is lined and also in our favourite microfibre for all seasons wear, which is unlined and washable. A wonderful new addition is a winter version of our most popular pant. A smart-casual, slubbed stretch fabric will take you anywhere, with a centre front topstitched seam, fly front and a fit to flatter everyone. Our palazzo pant features this season in velvet for a comfortable, stylish evening pant.

## Jackets

A must have for those cooler mornings and evenings. A reversible pure wool coat. Its clever construction gives you 2 coats in one, wear it one way to keep you warm then reverse it for evening to make a statement. We have a short, fitted unlined "casual" jacket or a ¾ length jacket for a long lean look in a slubbed stretch fabric to team with our stretch pant. A roll collar, tie front, long cardigan with unusual panelling in muted, striped autumn colours. Our Maxwell-Henry velvet coat is back for an evening statement, new, improved, and in magnificent colours.
